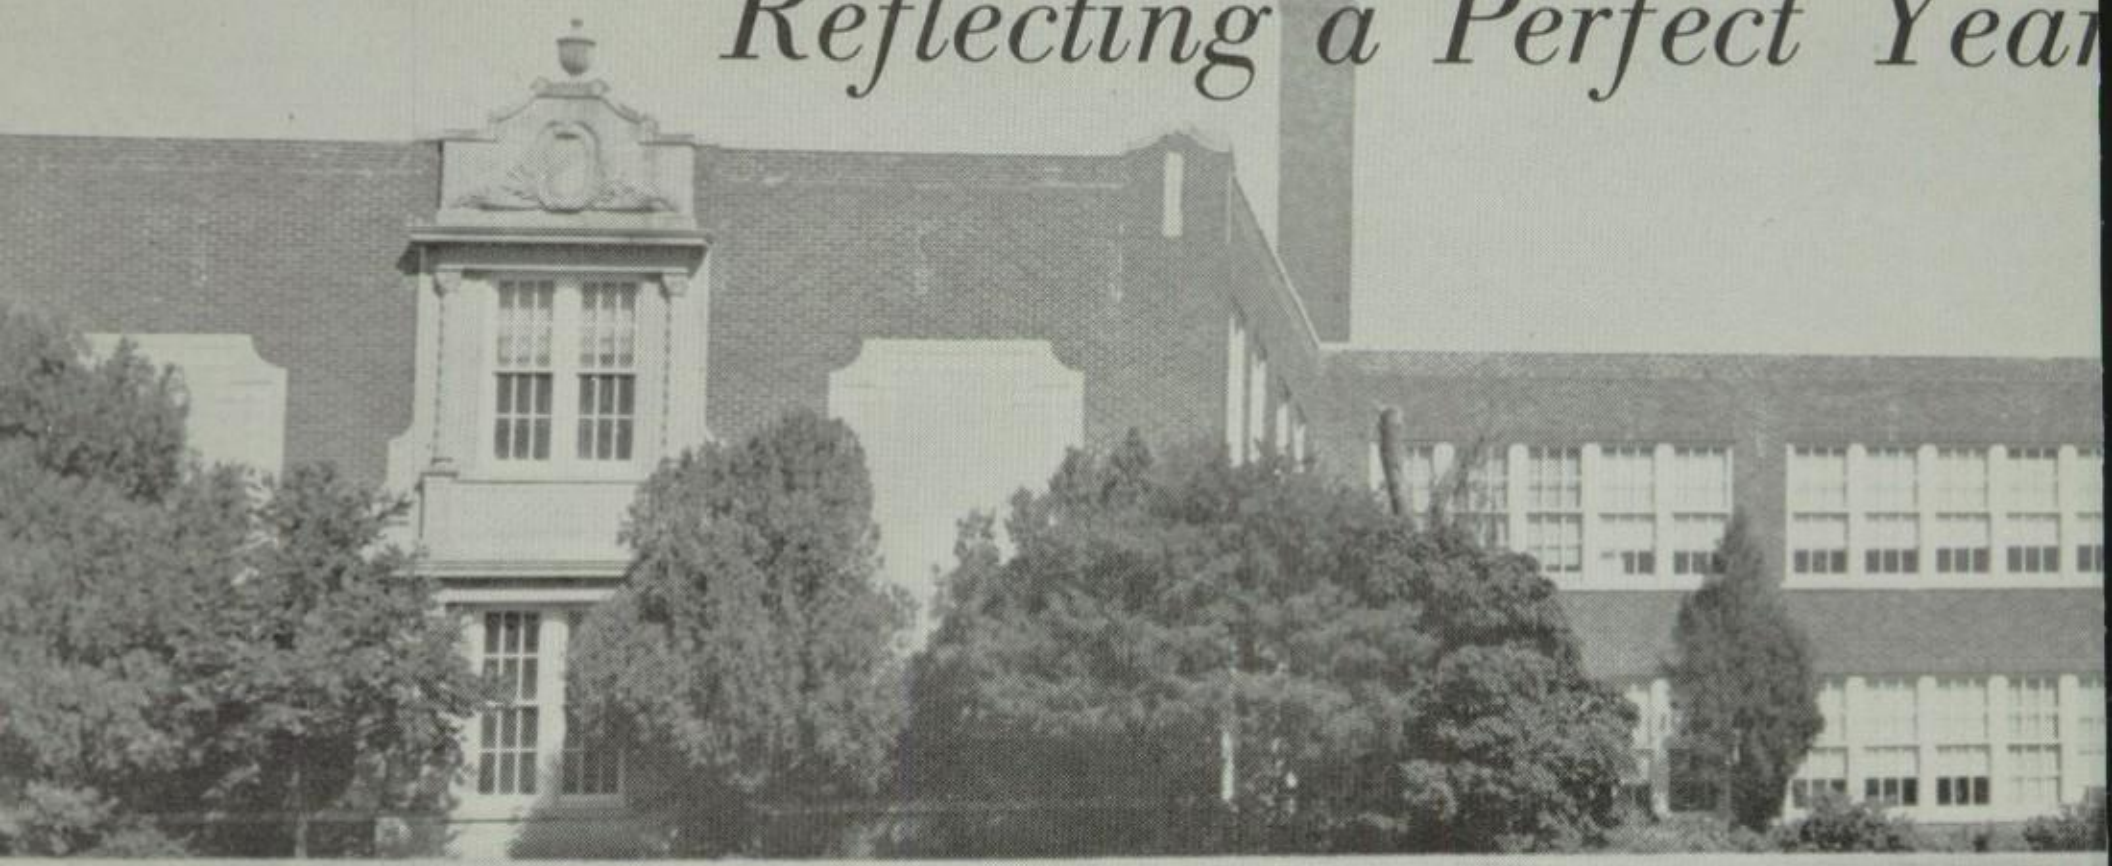
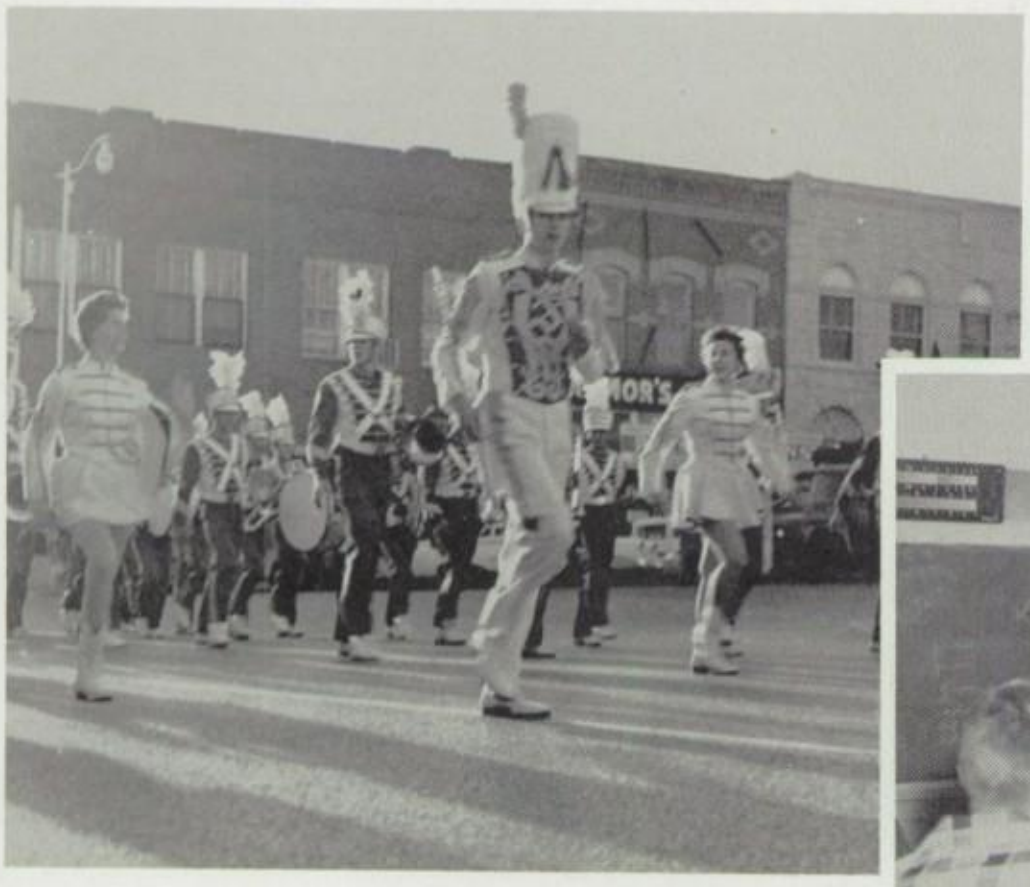
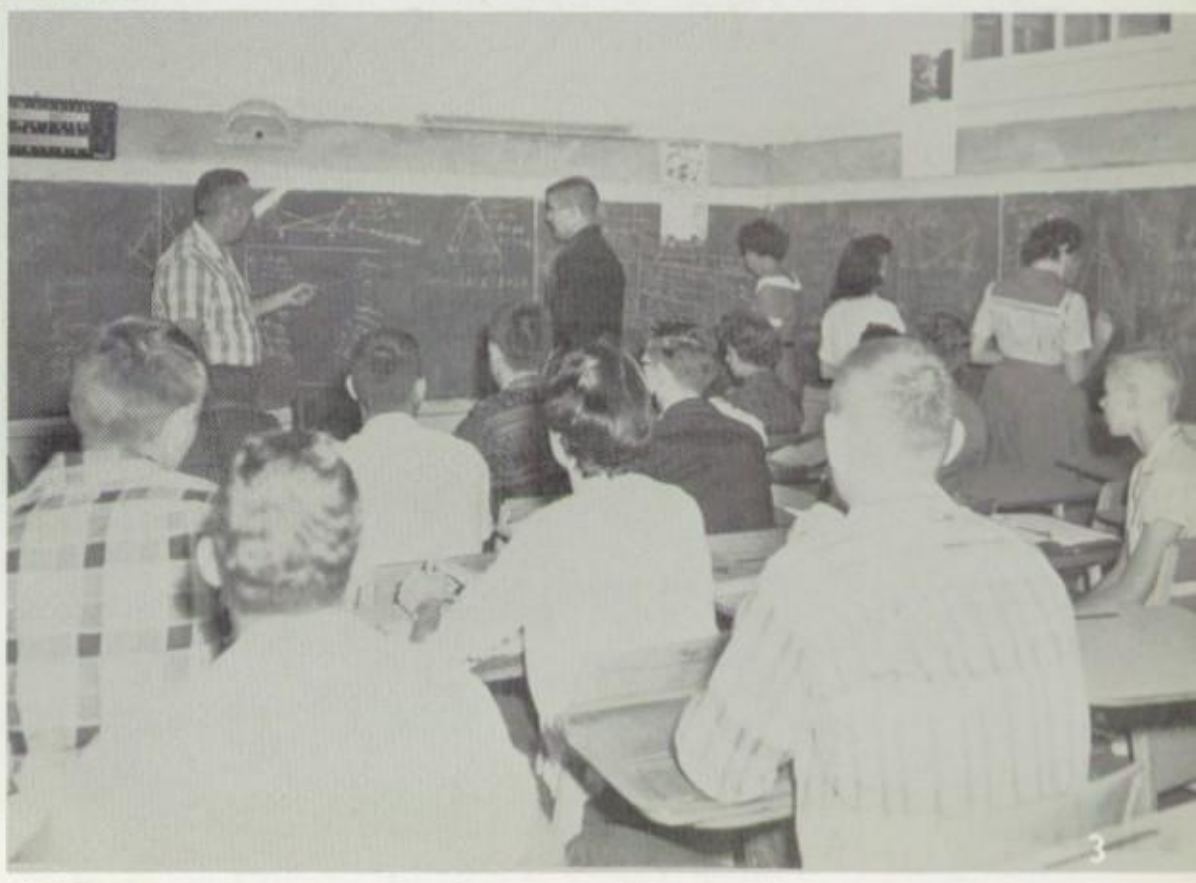
Reflecting a Perfect Year



The Yucca Gloriosa

with the Mustangs





Volume 39

Foreword

Clothed in school colors and filled with memories is the 1960 Yucca Gloriosa.

"Reflections" of days gone by will live forever in the hearts of loyal Mustangs—students and teachers. As a "perfect year" ends, laborious studying, the friends, teachers, classmates, and the campus itself are all reflected especially for you. In retrospect, the classes, football games, special days at school, and contests again become real.

It is the aim of the staff to create for you a living reflection of a "perfect year"—mirroring the productive lives and activities of all Mustangs.

As the melody of the Alma Mater blends with the heartbeat of eternal youth, won't you pause to reminisce?

On Sweetwater's northern border,
Reared against the sky,
Proudly stands our Alma Mater
As the years go by,
Onward, upward, ever forward!
Watchword—"Never fail"
Hail to thee, our Alma Mater
Sweetwater, all hail!

One year to go; this is the lingering thought of the Junior Class at Newman High School. The class, which has approximately 150 students, is looking forward to being SHS seniors.

While anticipating the future, the class is doing a splendid job of fulfilling its present position as juniors. The boys have been represented on the football field, tennis courts, and the basketball court. The girls have copped such honors as Homecoming Queen finalist, Miss SHS finalist, New Year Girl finalist, cheerleader, and Yucca Gloriosa Queen princess. The boys and girls have equally been represented in the various organizations at school, and in the community.

Religion has also played a major role in the lives of SHS juniors. Members of the class hold offices in their various denominational youth groups, and many others are active in church-sponsored clubs and activities.

Such is the 1961 graduating class. Class members are, in every sense of the word, true Mustangs—loyal, spirited, and proud to be students at Sweetwater High School.

Despite the confusion of adjusting to a new school, the class of '62 made news at Newman High School. Numbering approximately 250, the sophomores helped fill the SHS halls to capacity.

The talented neophytes were the second class to enter Sweetwater High as sophomores, and they have made up for lost time. Outstanding members of the class held such honors as Homecoming Queen Finalist, New Year Girl Nominee, Miss SHS finalist, Mr. F.T.A., and YUCCA GLORIOSA princess. Sophomore boys were instrumental in the success of athletics at Newman High, and boys and girls alike won acclaim in Interscholastic League Contests and in school organizations.

The class of 1962 has reassured the graduating seniors by actions and deeds that the traditions and ideals of the Sweetwater Mustangs will be fulfilled to the utmost for the next two years.

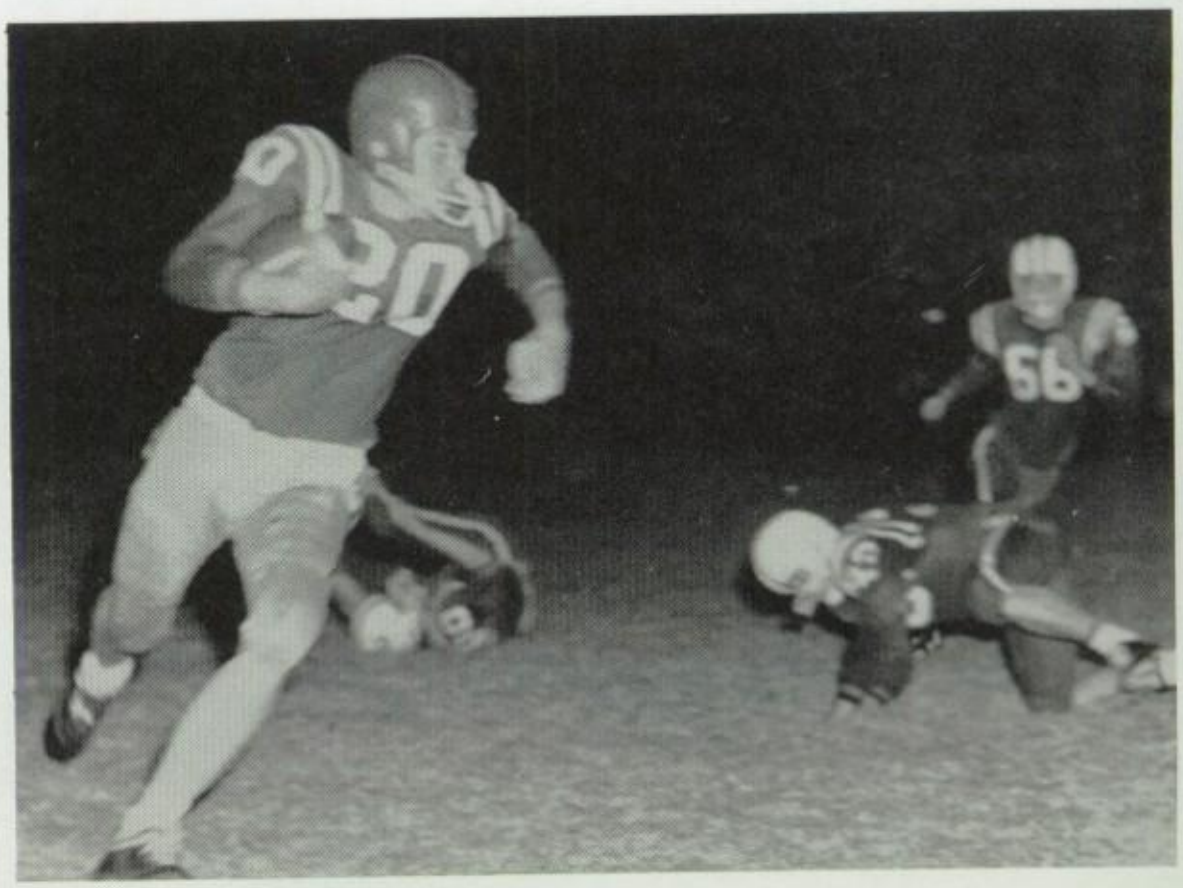
Class AA State Champion Stamford eked past the Sweetwater Mustangs for an 8-6 victory, giving the Mustangs their third straight setback. Sweetwater outplayed its opponent in almost every statistical department. Fumbles once again contributed heavily to the loss.

The Mustangs managed their only sustained drive of the night late in the fourth quarter when Alternate Fullback Mickey Horner drove to the Bulldogs' 15-yard line. Quarterback Joe Gerald then passed to Halfback Robert Barrera in the end zone.



JUNIOR GAINER—Ronnie Cox, junior athletic star and member of the District 3-AAA second team, strides ahead in the Stamford Bulldogs vs. Sweetwater Mustangs game. The game was a close-fought, grueling battle between two determined teams, with the Bulldogs finally coming out on top, 8-6.

To Our Advertisers:

The entire student body of Newman High School joins the members of the YUCCA staff in expressing its appreciation of the merchants, the professional men, the ministers, and the wholesalers for the advertising section of this book.

In the adult years ahead as we look back to the 1959-1960 issue of the YUCCA GLORIOSA for pleasant memories, the book not only will release its captured dreams, but also will remind us of the advertisers who had confidence in us. We realize that your ad in a yearbook is of no value unless it is read by your customers and potential customers, but we think you will agree that our PICTORIAL ACTION AD PAGES, featuring our most popular students, will be one of the best read sections of our book. Yearbook advertising puts your names before your customers and keeps it there.

Sincerely,
Judy Bowen
